## What is the GBA?

The GBA strives to:

1. Be a self-sustaining non-profit advocacy group for the greater Greensboro Business Community.
2. Produce a cooperative platform and provide economic opportunities for member businesses to thrive and grow.
3. Create an environment for creative expression and historic preservation, including providing opportunities for continued economic development historic downtown Greensboro.
4. Encourage development in all areas surrounding the downtown business district.
5. Work in cooperation with other organizations such as the Greensboro DDA, City, and Greene County.

# Collaboration.

Business Association members work together to make Greensboro a great place to do business. The GBA allows business owners the opportunity to collaborate and partner on advertising and promotions and other matters that are important to small business. The association supports the City of Greensboro's downtown revitalization efforts and directly communicates with the city regarding issues effecting downtown.

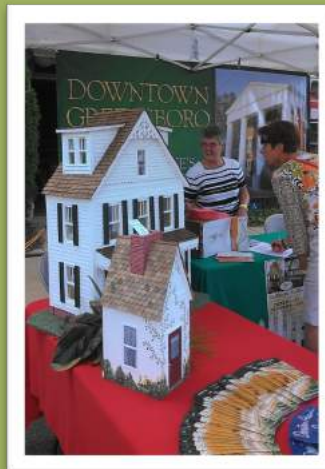

## Downtown Pedestrian Signage

GBA members can participate in Greensboro's downtown pedestrian signage program.

## Cooperative Advertising

Local media outlets often offer special pricing for GBA members to produce cooperative advertising campaigns.

## Lake Region Exposure

The GBA is involved in events in the greater Lake Oconee area to help promote Greensboro outside of the city.

## Downtown Special Events

The GBA helps to plan many of downtown Greensboro's community events. GBA input ensures that these events benefit the downtown business community in the greatest way possible.
