Financing for this process is welcome! This is not a traditional auction that is “cash only”. The standard financing contingency GAR forms shall be used with the contract if obtaining financing. However, there are special stipulations that take precedent over the contingency forms. All parties agree and understand that no appraisal contingency shall apply to this Agreement, and this stipulation shall supersede any other term to the contrary. If an appraisal is performed and is less than the agreed-upon purchase price, Buyer shall cause the difference to be remitted to Seller at Closing, and if Buyer does not do so, Buyer shall forfeit its earnest money. It is important to check with your lender to make sure they approve the terms, conditions as well at the purchase and sale agreement to be used for the sale.
