

## Gleaton's Guarantee (GG) – Bid & Buy with Confidence

The Gleaton's Guarantee guarantees the vehicle has a clean title.

Gleaton's guarantees this vehicle from the following issues for 5 days, exactly 120 hours to the minute from when the vehicle is marked sold on [www.Gleatons.com](http://www.Gleatons.com) :

- Head Gasket Failure
- Camshaft Failure
- Transmission Failure
- Critical Engine Cylinder Failure

Only Vehicles which are ten calendar years old or newer and which have under 135,000 miles on the odometer are qualified for a GG and a return.

To be qualified for a return the vehicle must have one of the 4 issues verified from Tri Star Automotive at 100 Powers Way Tyrone, GA 30290. If Tri Star Automotive verifies one of these issues Gleaton's will refund entirely the purchase price of the vehicle.

For the vehicle to be qualified for Tri Star Automotive to inspect the return issues the vehicle must be in the same physical condition as when purchased and pre inspected by Tri Star Automotive. The vehicle cannot have been driven any more than 400 miles to qualify for a return. The vehicle must not have had any mechanical modifications done to qualify for a return. Tampering with the engine or transmission will result in immediate disqualification from a return and subject to fines and fraud. All buyers are responsible for returning vehicles in no less condition than when purchased. Returned vehicles must be in the same condition or better as time of sale. If a vehicle has the following then it is not qualified for a return:

- Any Modification
- Has been in an accident or is damaged
- Altered from the condition it was at the time possession
- Put on a security as a loan, also known as an encumbrance

Gleaton' Inc. will not be responsible for administrative errors such as incorrect mileage on Bill of Sales or on the vehicle.
